4 Please see paras 25 to 32 of notes in file 684/35. Govt. of India after much correspondence sanctioned the existing scale of clothing of the Bangalore Police Force in November 1936- vide S.N. 29 and 31 of file 684/35.

C.p. 54 & 63 'B'

5 The cost of the articles of clothing shown in the PUC is within the sanctioned scale except the following:-

	Sanctioned rate	Proposed rate	Difference	Total extra cost
(a) 6 forage caps for (5 for) sergeants and 1 for fire engine driver	5 14 6 / 5-0-0	9 0 0 / 9-0-0	3 1 6 / 4-0-0	~~18 9 0~~ / 19-7-6

Total 1231 12-6

The sanctioned rates for (a) & (b) are according to scale of clothing supplied to sergeants attached to the Madras City Police.

C.p. 9 File 684/35 'B'

(c) The cost of long coats was fixed at Rs. 5-8-3 being the rate at which it was supplied to the Bangalore City Police. In 1935 the then Commissioner of Police said that he had seen a sample coat as supplied to the Bangalore City Police and that it was suitable.

to require more money for police clothing I said that scales had been fixed very recently and that I would caus our papers to be sent to him. I notice however that our file left here on the 4th August while his letter is date the 3rd August. Commissioner must however have seen the files in his office before applying.

10 While we must sympathise with the Commr. of Police i his endeavour to improve the appearance of the police for it will be entremely difficult to persuade the Crown Repr sentative whose sanction is necessary to grant us the amount required.

13 A statement furnished by the Police office giving details for Rs.10,574/- shown in Commissioner's letter is placed below. The difference of about Rs.2,500/- between the above figure and the budget figure of Rs.8,100/- is due to

(1) Increase in sanctioned cost according to proposal of the Commissioner	...	1,232
(2) Under budgetting	...	1,268

14 The provision of Rs.8,100/- made in the budget for 39-40 was based on the cost of 5th year of supply for Head-Constables and Constables and average cost in the case of Sergeants instead of on the cost of supplies to be actually made in the year which will vary according to the year of service of each man. The budgetting is defective and the Commissioner of Police may be instructed to have future budgets for clothing prepared on the basis of actual supplies due to be made in each year. This ought not to be difficult as the Police office maintains a clothing account in respect of each individual which is audited by the A.G. Madras.

16 As a measure of economy I propose to replace clothing only when it is worn out and has been seen and condemned by myself or an Inspector. On a review of all great coats now in the possession of Head Constables and Police Constables it appears that 25 % of the number budgetted for will be quite enough to replace coats actually unserviceable during the next 12 months. In these circumstances my demand may be reduced to 60 coats, which should be well within the funds available, as I anticipate "Savings" under B.2 - Railway Police.

17 Regarding "Under budgetting" I have issued necessary instructions to calculate future budget of clothing on actual requirements and not on the average cycle of issue as in the past. I have now issued orders that uniform coats and knickers, great coats and boots will, in future, be issued only when corresponding worn-out clothing has been inspected and condemned. All ranks have now been issued with the first issue of 1939/40 of Coats and knickers. Further issue of coats and knickers will therefore be made only when the third oldest issue has been condemned i.e. the first issue of 1938. Great Coats will only be replaced when the current issue has been condemned. Boots will only be issued when the 1938 issue has been condemned. This should result in considerable economies in future years

The Commr. of Police has not stated whether he sti wishes to purchase the articles shown in para 5 supra at th enhanced rates in which case the sanction of the Crown Re-Presentative will be required. Moreover as shown in para 5 there does not seem to be strong grounds to exceed the -- sanctioned rates as the rates for forage caps and water -- proof coats are according to the scale of clothing supplied to Sergeants attached to the Madras City Police and the rate for long coats was according to the rate at which they were supplied to the Bangalore City Police.

44 In his letter No. 1467/A.G., dated the 3rd August -- 1939, the Commissioner of Police wanted sanction to purchase 6 forage caps at Rs. 9/- each. He now wants sanction to purchase them at Rs. 5-8-0 each.

The sanctioned rates are as follows:-

C.p. 56, File 684/35 'B' C.p. 59 "

5 Sergeants Rs. 5-14-6 each

45 The Commr. of Police proposes to keep in stock all items necessary to equip and clothe 100 additional police constables, if necessary, at short notice. He requests sanction to purchase them locally and wants also an addl. allotment of Rs. 2574/-

46 Out of the articles shown in the PUC, normally, only the following articles may be purchased locally at the sanctioned rates:-

	Sanctioned rate	Proposed rate	Excess
S.N.24, File 1129/36 'Y' — 100 pompoms	Rs.1-12-0	Rs.2-0-0	Rs.25-0-0

All the other articles are to be purchased through the Indian Stores Department - vide para 3 of Pol. Dept's memo -do- No. F.73-A/34, dated the 3rd November 1936. As these are not required urgently it does not seem that we can give sanction to purchase them locally. Moreover proposals for addl. funds should have been submitted by the 7th -- November 1939 to this office and to the Political Dept. by the 30th November 1939. From the Commissioner's letter it would seem that he does not require the amount during the current year. There will however be no saving under the total grant as the Commissioner of Police has incurred expenditure to the extent of over Rs.3,000/- on purchase of rifles for which no provision had been made in the budget. the purchase of 60 coats at Rs. 11/- each and the Cr. Representative asked to approve the purchase.

The Pol. Dept. in their memo dated the 11th December 1939, while conveying sanction, intimated that the prior sanction of the Crown Representative might be obtained -- before incurring such expenditure in future.

In connection with the clothing for the proposed addl. police the Pol. Dept. was asked for sanction to purchase -- locally 100 great coats at Rs. 11/- each. OFFICE OF THE HON'BLE THE RESIDENT IN MYSORE, BANGALORE. 5 AUG. 1939 Diary No. 8098. File No.

To

The Secretary to the
Hon'ble the Resident in Mysore,
BANGALORE.

Sir,

Clothing for Police - 1939 - 1940.

I have the honour to state that tenders were invited by advertisement in the Daily Post and the rates for articles of clothing have been accepted as follows:-

Sergeant Clothing.

90 Yards of Khaki @ -/11/9 per yard ...	Rs.	66	2	0
6 pairs of Sergeants Boots @ Rs.8/- per pair. ...		48	0	0
10 Pairs Grey Woollen Socks at -/10/- a pair. ...		6	4	0
10 Khaki Silk ties @ Rs.1/11/- each ...		16	14	0
Stitching Charges of 12 Uniforms at Rs.5/6/- each. ...		64	8	0
5 Warm Suits @ Rs.32/- per suit. ...		160	0	0

Head Constables and Constables.

525 Pairs of ammunition boots @ Rs.4/12/- per pair.		2,493	12	0
Stitching Charges of 128 Head Constables suits at -/15/6 per suit. ...		124	0	0
Stitching Charges of 986 Constables suits @ -/12/6 each. ...		770	5	0
146 Pairs of white sleeves @ -/8/- each...		73	0	0
Miscellaneous. ...		220	0	0
	Rs.	4,042	13	0

I request that sanction may be accorded for the above expenditure.

6. Evening caps are required to be issued to the Sergeants and Fire Engine Driver. The approved maximum rate for each cap is Rs.5/14/6. I received only one sample cap within this figure quoted at Rs.5/12/-. It was of shoddy material and very inferior appearance. I consider [redacted]

degrading to the force and a waste of money to buy such an inferior article.

I have selected a cap at Rs.9/- and I request that sanction may kindly be accorded to purchase 6 evening caps at Rs.9/- each.

1 Water Proof Coat is required for the Fire Engine Driver, the approved maximum rate for which is Rs.10/8/-. The sample coat furnished by the tenderer for which he quotes a price of Rs.7/8/- is useless and I consider it would be waste of money to purchase it. I would prefer ordering a reliable coat from Bailey Brothers, Ootacamund for which they quote Rs.16/4/- and request that sanction may kindly be accorded to purchase it from them.

220 Long Coats are required for Head Constables and Police Constables, the approved maximum rate for which is Rs.5/8/3 each, but the lowest rate I have received from tenderers is Rs.6/12/- each and that for a coat of very inferior quality. I would prefer a coat of superior quality the rate of which is quoted at Rs.11/- each for which sanction may kindly be accorded. I do not think that it is worth buying a cheap article as these coats are expected to last 4 years.

If my recommendations are sanctioned, the total cost would be Rs.6,533/1/- classified as under.

1. Rs5,933/10/- to be met from M.A.T.Police D.E.F. contingencies clothing of Police.

2. Rs.599/7/- to be met from M.A.T. Police Railway - B.3 other charges.

Note:- Rs.49/9/- out of (1) on account of Fire Engine Driver's clothing to be apportioned equally between the M.A.T., Mysore Residency, Municipal Budget.

As regards the articles from the I.S.D. an indent has already been submitted through your office to the Chief Controller of Stores, I.S.D.

On a requisition sent direct to the Buckingham Carnatic

Carnatic Mills 6994½ yards of Khaki have been received. The total cost of all these would be Rs.10,574/- but the total amount provided in the sanctioned budget for clothing both for D.E.F. and Railway is Rs.8,100/-.

An additional allotment of Rs.2,500/- is therefore required under this head which may kindly be sanctioned by re-appropriation.

Again, a sum of Rs.400/- has been provided for Fire Engine supplies for the whole year.

A single bill from Webbs Service for repairing and painting the Fire Engine amounted to Rs.786/- which was sanctioned in your No.D.Dis.F.314-39/G & A dated 18th July 1939. An additional allotment of Rs.786/- will be required under this head.

I have the honour to be,

Sir,

Your most obedient servant,

COMMISSIONER OF POLICE.

I will be inviting tenders about the middle of October 1939, for Putties Woollen Woven (of sizes and shades) on behalf of the State Railways and other consumers for the period 1st March 1940 to 28th February 1941, and suggest that you let me have an indent or forecast of your requirements for this period all of which I could then amalgamate. As the keenness of the price depends on the magnitude of the demand you will appreciate that the result will also be to your advantage.

2. The Putties will be in accordance with supplies ordered in this Department Rate Contract No. X-5/3775/943 or No.X-5/3775/944, dated the 23rd December 1938, against which you were authorised to requisition direct.

3. Your reply should reach this office by the 30th September 1939, at the latest as it is important that there should be no delay in advertising the demand.

4. If the final figure is sufficiently large this year also, tenders will be invited on a "Rate Contract" basis (i.e. without limitation of quantity) otherwise on a Running Contract basis (i.e. subject to an increase or decrease by 25%).

Great coats

The price sanctioned for great coats (woollen) was based on that paid for coats supplied to the Bangalore City Police. I have now ascertained that Mysore Police get their cloth from Bombay Co and this year they have to pay Rs 3757- per yard instead of Rs 31+ odd, formerly. It takes, as the Mysore estimate, 1 yard 32" of cloth for a coat. i.e. the cloth alone will cost slightly over Rs. 10/+, exclusive of making up charges, buttons etc. The rate now quoted is therefore very reasonable, & I request that sanction be obtained

CLOTHING TO THE POLICE FORCE.

Sir,

I have the honour to refer to late Foreign and Political Department memorandum No.F.73-A/34, dated the 3rd November 1936, sanctioning the scale of clothing for the Police Force of the Civil and Military Station, Bangalore.

2. Long coats are supplied once in 4 years to head constables and constables. The sanctioned scale is Rs.5/8/3 each but the lowest rate tendered this year is Rs.6/12/- each for a coat of very inferior quality and Rs.11/- for a coat of reasonably good quality. As these coats are expected to last 4 years it is not worth buying a cheap article. The sanctioned rate for long coats was according to the rate at which they were supplied to the Bangalore City Police. It has been ascertained that this year the overcoats for the Bangalore City Police will cost at least Rs.11/- if not more. I consider that the rate now quoted is very reasonable. As prices may go up I have authorized the immediate purchase of 60 long coats at Rs.11/- each. I request that the purchase may be approved by His Excellency the Crown Representative.

Sir,

Subject: Boots of Head Constables and Constables - repairs of.

I have the honour to state that during the kit inspection of Head Constables and Constables held by me, I find that the boots of a number of Head Constables and Police Constables, if slightly repaired, (viz) resoled, reheeled etc., will last for a considerable time as otherwise they would have to be condemned now and replaced by new ones, as has been the usage till now.

In view of the present conditions, I consider that this will entail a considerable saving and would therefore request your formal approval of this proposal under the Hon'ble the Resident's Proceedings No.7157 dated 19-8-1926.

I called for tenders in this connection from some of the local firms and have accepted the tender of Messrs. Wardy and Company, Brigade Road, Bangalore, as the terms offered by them are most reasonable in addition to the fact that they happen to be the suppliers of the original boots. I expect to incur up to the end of this financial year an expenditure of about Rs.150/- which can be met from my allotment under head "A-7 Contingencies-Clothing to Police Force".

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Reference: Your No.D. 614 - 3C G.A. dated 13-3-1940.

I have the honour to inform you that in reply to my enquiries about the supply of clothing by the Indian Stores Department, they have said that it is not possible to supply them before the end of this financial year and have asked me to provide funds in the next year. As regards those ordered to be purchased locally, they are on minor items and funds may be provided for in the next year to avoid splitting up the total allotment made for the additional Police on this account between this year and the next.

I have indented for the following articles from the Indian Stores Department.

1. 100 pairs of puttees (woollen) ✓
2. 50 Jerseys. ✓
3. 100 belts and 100 frogs but not pouches for which reasons are given below and have placed orders locally for:

1. 100 Gullahs ✓
2. 100 Whistles ✓
3. 100 Chains ✓
4. 205 Buttons (big). ✓
5. 10 " (Small) ✓
6. 100 Brass Numbers. ✓
7. 100 Puggrees. ✓
8. 100 Lathies. ✓

As regards Pompoms, the Controller of Purchase, Indian Stores Department, Bombay has replied in his letter No.P.A.553 dated 5th March 1940 that I may arrange to purchase them locally as they are not available in Bombay and that my indent is treated as cancelled. The local rate is at present Rs.2/4/- a pair and I request sanction

sanction

to purchase them at this rate. I also request instructions if I may give the orders immediately in view of the every day increase in prices of woollen articles.

S.N.24 C.F.33 A

Sanction has been accorded to purchase lugrees at R.2/- while in my letter Number 2222/A.G/28-11-1939 applying for sanction, it is quoted at R.3/- Necessary modification in the rate may kindly be made, as it is found difficult now to get them even at this rate.

Having been under the impression that belts should be purchased locally as has been done all these years, I had given orders to the Contractor to arrange for the supply of belts as I was told that it would take some months for him to get them in and as I had very few belts on hand even for issue to the regular forces. On receipt of orders to indent for them from the Indian Stores Department, I have been able to extract the same except for pouches which were got by the Contractor by then. I have therefore, sent an indent to the Indian Stores Department only for belts and frogs and request sanction to purchase the 100 pouches locally at R.1/- each.

Sanction is also requested to purchase Great Coats locally at R.11/- each. This has also been one of the items of local purchase all these years, and in view of the rapid increase in prices of woollen materials, I had asked the contractor at the time of applying for sanction to purchase 320 Great Coats in my letter No.1467/A.G. dated 3-8-1939 to stock the necessary cloth for these, having bound himself in his tender to supply them at the said rate. Sanction was however accorded to purchase only 80 Great Coats in the Hon'ble the Resident's D.Dis.No.F.51-39/F.A. dated 24-11-1939 and the cloth for the remaining 160 coats still remains with the Contractor. It is seen from the various communications received daily from the Indian Stores Department and the Liaison Officer for woollen industries that all woollen mills are fully booked for defence services and that prices are likely to rise up to 175%. In these circumstances, I request sanction to purchase locally the 160 Great Coats for the

2. The Commissioner of Police, Civil and Military Station, Bangalore, indented on the Indian Stores Department for certain clothing in accordance with your memorandum quoted above, but was informed that supply could not be made during 1939-40.

3. Indents for the following articles have been sent to the Indian Stores Department for supply during the current year:

1. 100 pairs of putties (woollen)
2. 50 jerseys
3. 100 belts and 100 frogs but not pouches for reasons given below.

In previous years it has been the practice to purchase belts locally and in view of the prospect of rising prices and of the fact that the Contractor was unable to undertake to supply at less than

MFP—1206 S&P—(M-1723)—4-2-36—200,000

than several months notice and stock of belts on hand for issue even to the regular force was small, the Commissioner of Police placed an order with the Contractor in accordance with previous practice. On receipt of your memorandum the Commissioner of Police was able to cancel the order except in respect of pouches which by that time had been obtained by the Contractor. In the circumstances sanction to purchase the 100 pouches locally at Re.1/- each is requested.

4. The Controller of Purchase, Indian Stores Department, Bombay, has authorized the Commissioner of Police to purchase pompoms locally as supplies are not available in Bombay.

5. Since my Express letter No.F.514/39, dated the 19th December 1939 was issued, prices have increased and the local rate for pompoms is now Rs.2-4-0 a pair instead of Rs.2/- and for pugrees Rs.3/- each instead of Rs.2/-. Sanction is therefore requested to purchase these articles at the above rates.

6. For many years great coats have been purchased locally for the Police Force and as these can still be obtained at Rs.11/- each. In view of the past practice of local purchases and of the probability of rise in prices notice to the Contractor was given to stock cloth for this purpose. In these circumstances sanction to the local purchase of 100 great coats for additional police and 60 great coats for regular police at Rs.11/- each is requested.

Reference: Your D.F.514/39 dated 20-6-1940 - Paras 4 and 5 of Government No.F.78/A/40 dated 14th June 1940 - Purchase of Great Coats and belts.

With reference to para 4, I have the honour to state that in July 1939 I had called for tenders for local supply of articles of clothing in which the supply of 220 Great Coats was also included, as the Government of India had agreed to the local purchase of Great Coats for the Police Force - vide Memorandum from the Government of India in the Foreign and Political Department No.73-A/34 dated 3rd November 1936. The terms offered by one of the tenderers were favourable considering the superior quality of the cloth, and I accepted them and warned him to stock the necessary cloth therefor in view of the tendency then of prices of woollen materials to rise. Subsequently as a measure of economy I proposed to replace clothing of H.Cs. and P.Cs. only when worn out and condemned. As a result, I decided to take only 60 Great Coats to meet the urgent requirement during the year. Meanwhile the contractor got the stock of cloth for 220 great coats. In these circumstances and in view of the pre-war rate offered by the Contractor, I consider it advantageous to purchase the remaining 160 great coats locally. I would add that in the case of articles made of woollen cloth,

S.N.31 c.p.63 File 684/35 (N)

made of woollen cloth, our practice of tailoring each article to fit the man who wears it is much more satisfactory than supplying standard sizes and then altering them.

As regards para 5 of the Crown Representative's Memorandum I first gave the order in January 1940 to supply belts and pouches locally in view of a similar purchase last time i.e. 1934 and as the belts were urgently required. As soon as instructions were received to indent for them on the Indian Stores Department, I cancelled the order except for pouches which had already been supplied.

Purchase of clothing for C.& M. Stn. Police Force, Bangalore.

Sir,

I have the honour to refer to your memo. No.F.78-A/40, dated the 14th June -- 1940, and to reply to paras 4 & 5 thereof.

2. Para 4.

In accordance with the orders then in force (c.f. late For & Pol. Dept. ~~letter~~ memo No F.78/A/34, dated the 3rd Novr. 1936) the Commr. of Police asked in July 1939 for tenders for the local supply, among other articles, of 220 great coats. On receiving a favourable quotation, he decided, in view of the tendency for prices of woollen materials to rise on account of the -- imminence of war, to close with the offer and arrange for stocks to be held by the contractor at his then quotation. Later, as a measure of economy, it was decided to purchase only 60 great coats during 1939-40. Meanwhile the contractor was holding cloth for 220 great coats in all. In this connection please refer to para 6 of my express letter No.D.F.514/39/G.& A., dated (Camp) 9th May 1940.

In view of the facts explained, which I regret were not made clear, the local purchase of the balance of 160 great coats was made in the current year to take -- advantage of a favourable price which had been arranged prior to receipt of the -- Crown Representative's orders for purchase through the Indian Stores Department, conveyed in your memo. No.D.208/A/39, dated the 3rd February 1940.

3. Para 5.

These are supplied once in ten years. Since the issue of the late For. & Pol. Dept. memo. No.F.78-A/34, dated 3-11-36, no belts had been purchased. The last purchase was made locally in 1934. -- Following this precedent the Commissioner of
